Stick no bills? Trees tacked, laws mocked

With electric poles, trees and transformer boxes being used for advertisements, it seems that many unorganised players have got a free platform for promotion purposes. One example is in the 54th street, 9th Avenue, Ashok Nagar.

Often we observe postcards, placards, flute boards being nailed or stapled on trees, crucifying the remnants of beauty in the city today.

In fact, Section VI of Advertisement By-laws 2006, clearly states that no person shall display posters, nail, attach or fix posters, flex boards, cut outs on any tree, electric poles or telephone poles in the city.

In spite of the law being so precise, this menace is rampant in the city.

**Mahakalanathaswamy Temple,
Kovilthirumalam**

This is the 172nd Thevara Paadal Petra Shiva sthalam and the 55th sthalam on the south side of river Kaveri in Chozha Nadu. Now this place is called Kovilthirumalam.

In Periyapuram Sekkizhar records that Thirugnanasambandar came to this Temple after worshipping Lord Shiva of Thirupugalur.

Moolavar : Sri Mahakalanathar, Sri Kalakandeswarar. Consort : Sri Bayakshambikai. Sri Acham Thavirtha Nayaki. Some of the salient features of this temple are as follows.

The temple faces east with a 5-tier Rajagopuram at the first level and a 3-tier Rajagopuram at the second level. Balipeedam and Rishabam are in between two Rajagopurams. It is believed that Moolavar was made by Kali by her hands. In Koshtam, Vinayagar, Dakshinamurthy, Lingothbavar, Brahma, and Durgai. Somaskandar is on the back side of the moolavar. In praharam Vanmika Nathar, Somasiyar with his wife Susila, 63var, Vinayagar, Subramaniam, Sattainathar (On the north side 2nd tier - side of Compound wall). Sannathi for Mahalakshmi, Eesana jwarahara Lingam, Navagrahas, Natarajar Mandapam, Saneeswarar, Bhairavar, Dhandapani and Subramaniam with bow. Urchavars Thyagarajar, Katchi Kodutha Nayagar, Somachimarar with his wife, Murugan with a bow, Somaskandar, Shiva Lingam in the hands of Kaali. Urchavar Thyagesar is not of regular images and is different from other temples. Shiva is in the form of Vettiyan and Ambal is his wife with kallukudam/toddy pot on her head, Vinayagar & Murugan are small children.

Katchi Kodutha Nayagar – Rishabanthikar (With the right leg on the ground, left leg little folded, and left hand touching Rishabam's head).

The 15th Century Saint Arunagirinathar has sung Hymns in praise of Lord Muruga of this temple.

ARCHITECTURE

The temple consists of Sanctum sanctorum, antarala, artha mandapam, maha mandapam, and a Mukha mandapam. The mukha mandapam is of Vavval nethi style.

HISTORY AND INSCRIPTIONS

Since Thirugnanasambandar has sung hymns in praise of Lord Shiva of this temple, the original temple might have existed before the 7th Century. Later the same was reconstructed as a stone temple during the Chozha period and further extended during Vijayanagara and Marathas.

The inscriptions recorded from this temple belong to Rajaraja, Rajendra Chozha- III, Kulothunga-III, and Pandya Kings Kulasekara Pandyan. As per the inscriptions, this place was under Uyyakondar Valanattu Ambarnattu Ambar Thirumahalam (Kulothunga-I) Bhoobalakulavalli Valanattu Ambarnattu Ambar Makalam (Kulothunga-III). Lord Shiva was called as Thirumakala Udayar, Thirumakalathu Mahadevar.

There are 59 fragment inscriptions, recorded from this temple between the 12th to 13th Century. The inscriptions belong to both Chozhas and Pandyas. These inscriptions record the gift of land for burning perpetual lamps and worship. Some of the land periphery limits are also given. Some of the inscriptions record the names of People, and the names of the water channels, like Kulothunga Chozha Vaikkal, Ramadeva Vaikkal, Vethavabavathy, Pirantaka Vaikkal, etc. The grading of lands was given based on the produce and water feeding etc.

Your Stars This Year

Aries : May feel a sense of unease, but a structured approach will ultimately provide a solution. Create a simple plan by breaking down big tasks into manageable steps and establishing a routine to follow. You will then easily integrate all of it into the rhythm of your daily life. Having clarity and order at work.

Taurus: Something as simple as a small financial habit could reshape the bigger picture of your money consciousness. It could be as simple as writing down your daily expenses or saving something every day. Make it simple, but remain focussed every day. Under this pressure, you will gain more control over yourself.

Gemini: Make progress and avoid getting into a frame of mind where you compare yourself to others. Everyone has a unique path, and you should celebrate the small wins that keep you moving forward. Do not let distractions take over-your focus has to be on your own goals.

Cancer: Try not to overthink your problems. If stress is the problem, whether it's financial or work-related, then keep it simple. Simple is making a list, clearing your mind, and then doing one thing at a time. You may find that a little thought will reveal that things are quite simple. Financially, do not gamble.

Leo: Unexpected compliment or support from a most unlikely person—a senior, a client, or even someone quietly observing you at work. Your efforts have been noticed, even if they have never been spoken of. Stand tall and keep your head high. A small gesture, such as a token of appreciation or a bonus, could lift your spirits.

Virgo: You want to go faster, but this week, you are supposed to trust the process. The growth is real, even if it's at a slow pace. Avoid making hasty decisions or pushing yourself too hard. Let things unravel by themselves. Behind the scenes, progress is occurring in your workplace; just maintain your pace.

Libra: Added task or last-minute responsibility might seem a burden initially, but look at it from deep within; it may be your door to something bigger. Do not run away from what is heavy this week. Career-wise, this is your time to shine and show your abilities. Financially, reliability can pay off in the future.

Scorpio: Don't wait this week - take charge. That tiny step right now will relieve you of some heavy burdens later. Whether it means fixing your resume, settling that overdue bill, or going for that pitch, we all do it without hesitation. Your future self will thank you profusely for making those wise decisions today.

Sagittarius: As long as you commit, this week rewards you. Starting is easy. Finishing is what yields meaningful results. Never leave your tasks half-done; instead, follow through with all your focus. Try not to turn this into a situation for quick gains, but rather a situation for sticking to budget plans.

Capricorn: Emotional balance is being emphasised with the money flow. Focussed and centred, money decisions will come more easily and be wiser. Do not make decisions when you are stressed. Soulfully communicate—their stress should in no way become yours.

Aquarius : The time has come to address the professional boundaries in your life. Are you signing off on too many "yeses"? This week will cast a spotlight on occasions when your time or effort has been taken too much. Speak up gently but assertively. Creating professional boundaries will keep your work productive.

Pisces: Your mind works on a bold idea. Don't hold back for fear—it could be exactly what someone else is looking for. At work, confidently voice out those thoughts. With that fresh approach, you might just get the applause or the opportunity to proceed. Financially, that innovative plan could pave the way for further progress. Trust your vision and express it clearly.

PREDICTION FOR THIS WEEK
19.07.2025 TO 25.07.2025

Be introvert, Be free from Folly

An introvert is always happy. You will have inner happiness when you stay introvert. What does it mean to be introvert? What does it mean to be extrovert? To think about the body means to be extrovert. To think about the body, the relatives of the body, the objects of the body, this is extroversion. And to think about the soul and what all part is recorded in the soul, what kind of part is recorded in different souls, how the souls play their part, how many groups of souls play a similar part - to think about this is to stay introvert.

There are many of such ones who like to live in a gathering, laugh and talk a lot, but this is being extrovert. Now, make yourself the one who lives in solitude meaning become introvert from the vibrations of all kinds of attractions. Now, such a time is going to come when this very practice will come in use. If you have the practice of being influenced by the physical attraction, it will deceive you at the hour of need. Such circumstances will arise that you won't find any other support except this practice. Just like we watch television, serials through these physical eyes now, we watch cinema, we watch films. So we enjoy it a lot. Now, we enjoy it with these external eyes. It is because we haven't been able to make the extrovert attitude into an introvert attitude yet. When we make our attitude introvert with practice, the outside world won't fascinate us at all.

Those who are introvert always sit on the heart throne of the Supreme Father. Those who are introvert are dear to everyone. This is why, become introvert. Being introvert doesn't mean that you just stop speaking through the mouth. No. If someone stops speaking from the mouth but thoughts and negative thoughts keep racing within him, he will pollute the atmosphere even

more. This is why, there should be both, the inner as well as outer silence.

This is a human life and if some insignificant news about someone comes up, people tend to blabber on about it everywhere. So, be it any insignificant matter, don't repeat it. It is garbage. Should garbage be buried or should it be spread? It should be buried. To describe about it to any person, means the news reaches the ears of many people. As a result, everyone's vibrations will be spoiled. If such a situation arises, if anyone's weakness comes to your notice, if it comes in your intellect, what do you have to do about it? You have to contain it within yourself. You have to become introvert.

Introvert means the embodiment of experience. As far as possible we must be introvert (antarmukh). Why are more mistakes committed? It is because we become body conscious, we become extrovert (bahirmukhi). We don't remember the soul present in the body. When we start thinking about the external body, mistakes are committed. So, if you remain introvert as far as possible, less mistakes will happen.

When you become introvert and think and churn over all these concepts, you yourselves can understand them through your intellect. It is because the more you do research sitting in the room of introversion, you will have the best touching to that extent. The author is solely responsible for this article. Renovation and development works are underway at the SVS Nagar pond in Valasaravakkam at a cost of Rs. 4.89 crore. The SVS Nagar pond in Valasaravakkam Mandal, Ward 151, has an area of 4 acres. Rainwater from Subramanya Swamy Nagar, Jayanagar, and Ambedkar Street areas reaches this pond. Renovation work was carried out on the closed pond, including dredging, deepening, widening, and strengthening the banks. Because of this, rainwater did not cover the area during the heavy rains of 2024. In this situation, facilities including a walkway, bird island, open-air gym, children's playground, open-air theatre, and boat rides are being constructed at a cost of Rs 4.89 crore. The SWD line is being laid by Greater Chennai Corporation (GCC) after demolishing the existing pipe line throughout the road, spending Rs 7.94 crore. Valluvar Salai, is one of the main roads in Ramapuram starting from Arasamaram junction to Ramapuram signal junction.

Mariyadoss a local resident says that this work had not only affected traffic but also traders. The entry points of the shops have been dug and customers are unable to enter the shops. The road is dug up like a trench, but no proper barricades have been fixed. Some ropes have been fastened on the side of the pit. This poses a huge risk to pedestrians and motorists, especially two-wheeler riders, said the resident.

Now, the road has been dug from Arasamaram temple premises to the Home Finders housing complex. Valluvar Salai is the only exit and entry point for motorists towards K.K. Nagar and Mount-Poonamallee Road. So, hundreds of people, especially office-goers, depend heavily on this road as it connects the western suburbs and the city.

Temple renovation workshop

The ceremony for the renovation of the Aadhimoolap Perumal temple was held on Monday.

The Adhilakshmi Thayar Sametha Aadhimoola Perumal Temple in Vadapalani is a century old temple. The temple is graced by Lord Gajendra Varadaraja Perumal. The temple has shrines of Venugopal, Andal, and Ramanuja. Vigneswara, Nammalvar, Kalyan, Manavala Mamunigal, and Udayavar make appearances. Worship is conducted according to the Pancharatra Agama.

This temple is a sub-temple of the Vadapalani Murugan Temple, which is under the control of the Endowments Department.

The temple was last renovated and consecrated in 1960.

In this situation, the Department of Charities has decided to carry out renovations to the temple and perform the Kumbabhishekam.

The renovations, worth Rs 3.37 crore, have been underway since the end of May, with the Commissioner of Charities' Public Welfare Fund, Rs 1.84 crore; the Vadapalani Murugan Temple Fund, Rs 1.53 crore.

Construction of a stone mandapam in front of the shrine of the main deity and mother in the renovation of the Aadhimoolap Perumal temple, construction of entrance gates on three sides of the temple, renovation works, including the construction of the

decorative hall, vehicle hall and yagasalai, are being carried out according to the rules of the Agamas. In this situation, in order to carry out renovations at the temple shrines, all the shrine deities were depicted in the form of images on fig trees, and a homam was performed, followed by three-time pujas.

Devotees visiting the temple until the Kumbabhishekam ceremony takes place can have darshan of the deity and the festival idols kept in the mandapam.
