## Damaged stretch makes commuting risky

Residents around MGR Nagar using the stretch of Anna Main Road especially motorists suffering due to damaged roads it is said that metro water had dug up the road for pipeline works. Before that the condition of the road was better. It is making more dangerous for motorists, with the lighting making it worse at night.

The department had dug up the road for pipeline repair work near the ESI Hospital and the MGR Nagar market. However, post the pipeline repair, the lane was left in dire need of repair.

Prema a resident of 1st Sector says that she cannot spot the potholes and uneven patches mainly on night time. "We cannot see the pothole at all, and our vehicles eventually hit it. As a regular commuter, I have faced this many times," she continued.

Another resident of Nakkeeran Street says that I ride

daily on this road so I ride cautiously it cannot be expected for someone who ride newly on this road can ride smoothly. Even though road patch work completed in many places but the gravels spread all over the road is very risky.

Even three days before one person skidded on this road like wise many accidents go unreported. Residents urge immediate repair work on the road and improve better street lighting. We hope GCC would take swift action to ensure safe travel for all. As thousands of vehicles use this stretch daily, civic activists warn that ignoring the issue could lead to major accidents.

## Agnipureeswarar Temple, Thirupugalur

This is the 192nd Thevara Paadal Petra Shiva Sthalam and the 75th Sthalam on the south side of the river Kaveri of Chozha Nadu. These are moovar Padal Petra sthalam. The other Paadal Petra Sthalam Thirupugalur Varthamaneecharam is also in this temple complex.

This is one of the 44 temples on which Moovar has sung hymns to Lord Shiva. Thirunavukkarasu Swamigal has attained mukthi in this place. This Thirupugalur is also the birthplace of Muruga Nayanar, one of the 63 Nayanmars. This is the Sathayam Nakshatra temple.

In Periyapuram, Sekkizhar records that Thirugnanasambandar came to this temple after worshipping Lord Shiva of Thiruchengattankudi. In Periyapuram, Sekkizhar records that Sundarar prayed to Lord Shiva for money to celebrate Panguni Uthiram thiruvizha at Thiruvarur with Paravai Nachiyar. Lord Shiva changed the brick that supported Sundarar's head during his sleep. But Sundarar didn't mention this legend anywhere in his hymns. Moovar, ie. Thirugnanasambandar, Thirunavukkarasu Swamigal, Sundarar, and Vallalar have sung in praise of Lord Shiva of this temple.

Moolavar : Sri Agnipureeswarar, Sri Saranya Pureeswarar, Sri Konapiran. Consort : Soolikambal, Sri Karuntharkuzhali.

Some of the Salient features of these temples are.....

The temple faces east with a Moat/agazhi around, believed to be excavated by Banasuran. The first level, Rajagopuram, is of 5 tiers, and the second level is of 3 tiers. In between the two Rajagopuras, Dwajasthambam, balipeedam, and Rishabam. Moolavar is of swayambhu, slanting towards the North. In koshtam Vinayagar, Natarajar, Dakshinamurthy, Agasthiyar, Lingothbavar, Brahma, Durgai, Pichadanar, Alingna Kalyana Sundarar, and Sembiyan Mahadevi worship Lord Shiva.

In the praharam, Chinthamaneeswarar, Narthana Vinayagar, and Shiva Lingam are worshiped by Bharadwaja and Appar's Iykaya sirpam. In the inner praharam, Chandrasekar, Agni, Arupathumooavar, Panchalingas, Appar Sannathi, Vatapi Vinayagar, Subramaniar, Shiva Lingam worshiped by Maharishis, Mahalakshmi, Saneeswarar, Navagrahas (Navagrahas are in L shape), Saraswati/Kalaimagal, Annapoorani, Kalasamharar, Agora Lingam, 63var, Bootheswarar, Vatapi Ganapati, and Bhavitheswarar. Paintings of Shiva turning the Bricks into gold and Agneeswarar are on one Praharam wall. Ambal is in a separate Sannathi near Rajagopuram.

The Shiva Lingas worshiped by Lord Muruga, Mahavishnu, Neelakanda Sivachariyar, Sages Jamadagni, Bhardwajar, Thatheesi, Vyasari, Birugu, Pulasthiyar, Jabali, Indra, and Varadarayar are in the praharam.

Natarajar Sabha and Urchavars are in the mandapam. Urchavar Agneeswarar is with 1 Agni, 2 faces, 7 hands, 3 Thiruvadikal/Legs, 4 horns, and 7 Jyothis- worth seeing. The other Urchavars are Mooga Surasamharam Moorthy and Somaskandar. Ramanatheecharam (Thirukkannapuram) urchavar are also kept in this temple for safety reasons.

### HISTORY AND INSCRIPTIONS

Since Moovar has sung hymns in praise of Lord Shiva of this temple, this original temple might have existed before the 7th century. The same was reconstructed as a stone temple during the Chozhas period (maybe during Rajaraja-I -II) and further extended by Pandya, Vijayanagaras, and Nattukottai Nagarathars.

## Your Stars This Year

**Aries :** Make a quiet determination of what you want most of all from your career. Without a precise idea in mind, your tasks just drift. Don't follow a routine at work; implement only those things that align with your future goals. Let the heart and the mind come together, and success will come on its own.

**Taurus:** In your truest moments of desperation, inspiration may strike. Be open to learning from the most unexpected sources. Your mentor or someone older than you may offer advice that is quite life-altering. At work, be more watchful and attentive. Wealth-wise, someone else's tale of their experience may help you.

**Gemini:** Suggests that how you focus will shape how others see you. Keep distractions to a minimum and stick to one task at a time. Pull your energy towards this and get work tasks done. Your colleagues will notice discipline. As for your finances, do not risk your money.

**Cancer:** You've been making silent progress; even if it doesn't seem overly dramatic, do not ignore small wins. Your calm, subtle approach at work yields much better results than a rushed one. Trust in your slow but sure pace. Be grateful for how far you have come rather than lamenting over what is still pending.

**Leo:** Focus on processes rather than having an outcome. In the workplace teaches something important. Enjoy the task instead of chasing accolades. Don't rush into things if financial matters come up. Slow and sure pays lasting dividends. A sense of purpose from the daily grind, but once there is joy in the effort.

**Virgo:** You have a lot of drive. Staying organised will help you to be more effective. Plan now, do routine tasks, follow your schedule, and set practical, attainable objectives. Also, in your work life, others will come to depend on you for a structured plan. When it comes to finances, a clear bookkeeping system is best.

**Libra:** The best time to examine your career goals is on the rise. It can be smart to rethink your previous objectives. Don't be afraid to adjust your plans. Reflect on your direction at work. As for your financial life, adjusting your priorities slightly might help balance your efforts. Being too hard about keeping the same.

**Scorpio:** Your performance at work improves as you set clear boundaries. You should not be overextending yourself to make others happy. It is good this week to take care of your time and energy. It is okay at the office to refuse offers coming your way. However, financially, it may be wise not to spend under pressure.

**Sagittarius:** The abilities of patience, wisdom, and strength coming together will help you forgive something that has troubled you for so long. Forgiveness will only help you advance in your personal growth. Open to forgiveness and to fully let go of your wounded self from your past.

**Capricorn:** You may find other rewarding opportunities in giving more attention to the very small details this week. At work, make sure you don't overlook minutiae in communication or planning. Hidden opportunities sometimes come from something considered routine.

**Aquarius :** Pressure would test you, but how well you manage it would determine the course of events that follow. Calmly and composedly to what happens at work, rather than giving in to your gut reactions. Be wise unto yourself; put aside anything you would like to pamper yourself with and hold onto the funds.

**Pisces:** Now is a good time for investing in learning. Learn a new skill, add to what you demand in your business. Be open to training and self-improvement at work. Spend wisely on what builds your value. You can be planting little by little here and there that shall reap substantial rewards later. The time to commence is now—not when everything is perfect.

# Precious soul in the eyes of God

An honest person will be dear to everyone. Even in that, first of all he will be dear to God. Those who are honest and firm, they can't hide their identity despite being far. No matter how far someone is, he will be close to God. Those who are close to God are close to everyone. So, become God's dear as mentioned in the Gita.

God says: the one who is neither pleased by something dear nor is hostile to something that he hates, the one who neither grieves for anything, nor does he wish for any person or anything and the one who always properly renounces auspicious and inauspicious, My devotee who doesn't expect from anyone else except Me, who is pure through the body, mind and wealth, who is skillful, impartial to his relatives and strangers, to the dear ones and hated ones, free from distress of his body, mind etc., the one by whom people aren't troubled even at the time of the great destruction and in the same way, the one who isn't troubled by people and the one who is free from happiness, anger, fear and excitement, the one who is free from the feeling of hatred towards all the living beings including the wrathful, violent, non-violent or innocent, has friendliness and sympathy and doesn't have attachment, who is egoless, uniform in sorrow and happiness, who is tolerant and forgiving towards everyone, who is satisfied even with small amount of something, who is a constant yogi, who controls his mind, who has firm faith in Me, who is devoted to Me through the mind and intellect, the one with faith and devotion for Me, the one who is equal to the hated enemies and loving friends, similarly, uniform in any kind of honour and dishonour, uniform in the contrasts like cold and heat, happiness and sorrow and completely free from attachment, who is uniform in criticism by the foes and praise by the flatterers, who is introspective through the mind as well, the one who is satisfied with anything that he effortlessly and easily gets or not,

according to his own actions, the one with a stable intellect free from inconstant mind, the human being with such a firm feeling of devotion is always dear to Me.

The one who narrates this extremely secret knowledge to My devotees who have faith and are filled with emotions for Me, he will perform My most elevated unadulterated devotion and find Me alone undoubtedly. The one who sees Me everywhere like a lover and sees everyone in Me the one who is free from the ignorance, I am never distant from him and he doesn't vanish from My sight either. Among the human beings, there isn't any performer of actions dear to Me like that ever been dearer to Me, nor will anyone be. But the ones with faith who are dependent to Me alone, who are proper worshippers of this above mentioned nectar, those devotees are extremely dear to Me like a legitimate, obedient and honest son is dear to his father. Work on Virugambakkam canal has been stopped for several months, forcing residents to take a 2 km detour through cramped lanes to reach the 100 feet road JN Road. This road connects via MMDA route to reach Arumbakkam. We have made many complaints but no solution made yet.

# Will the authorities demolish unused water tank?

Local residents of Periyar Nagar, Valasaravakkam urge concern authorities to demolish the unused over head water tank.

This tank with capacity of 25,000 liters was constructed in 2000 at MGR Street, Periyar Nagar, Ward 149, Valasaravakkam Zone. At that time, Valasaravakkam was a panchayat.

Later, after merging with the GCC, drinking water was supplied from this tank by the Drinking Water Board. Over time, this tank stopped receiving water. Due to lack of use, this tank was abandoned. It is now in a dilapidated and crumbling state.

Local residents have requested that the water tank be demolished and removed with proper safety measures before an accident occurs, as there are residences and a power transformer nearby.

**NEED A CLOSET :** Some samartian closed a open pit in P T Rajan Salai with a wooden stick. Will the concern authorities close the pit properly.

## Left out branches - a garbage godown?

One of the trees in 10th Avenue, K K Nagar seems to have been trimmed due to various reasons and the removed small branches and leaves made a heap under the tree. This has been removed for a couple of days. And someone has started dumping their garbage here without throwing properly in the corporation dust bins. If the trimmed remains are not cleared early, this will become a tent for the insects to reside and a godown for garbage. Sometime later, this will be the place for the thrown out garbages and people will forget how it began and start dumping here.

Before people start making a habit of throwing the garbages here, necessary action to be taken to clear the unwanted trimmed leaves and branches, immediately.

## Encroachment removed on sidewalk

GCC removed unauthorized encroachments on the pavement in K.K. Nagar. It falls in ward 138, Kodambakkam zone. This road connects K K Nagar and MGR Nagar areas.

Along this road from MGR Canal, there are many shops selling second-hand goods for all building materials including furniture and chairs.

Allegations have been raised that all these shops are occupying the footpaths. In addition, vehicles including load vans, autos, and mini lorries are parked along the road, causing traffic congestion.

## Dusty bumpy of Arcot Road

The Virugambakkam-Arcot road has become bumpy and potholed, with flying debris and traffic jams making the road a sight to behold.

The Arcot Road which connects Porur to Virugambakkam via Vadapalani, and Kodambakkam.

The people of the area are facing a lot of difficulties due to the ongoing metro rail work on this road.

In addition, the flying insects on the road are catching the eye of motorists.

The recent rains have turned the Virugambakkam-Arcot road into a pothole. In particular, gravel has shifted on the two-lane road from Vembuliamman Temple to Avichi School, causing two-wheeler riders to stumble and fall.

Therefore, the people of the area have requested the authorities to patch up at least the bumpy roads as earliest.

## Parking of heavy vehicles causes daily problems on Arcot Road

Motorists are suffering daily as heavy vehicles brought in for the metro rail project are parked on the Valasaravakkam-Arcot road.

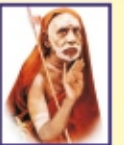

Metro rail project works are underway on the Valasaravakkam - Porur Arcot road. Due to this work, the entire road is unfit for traffic. The road has been further deteriorated due to flooding caused by the 'Tidwa' cyclone recently.

In this situation, the giant heavy vehicles brought in for the metro work are parked next to the poles at the construction site. These are not only obstructing the passing motorists but are also in a position to cause accidents.

Therefore, giant heavy vehicles should be parked in places that do not obstruct vehicular movement. In addition, encroaching vehicles that are occasionally parked along the road should also be removed.
